

SHERBORN LIBRARY CONSTRUCTION PROJECT UPDATE

December 2019

These FAQs are created in an effort to help the Sherborn community understand what is happening with the Library Project. Since 2015, when the project cost was originally estimated, there have been several unexpected events, unanticipated requirements, and unforeseen conditions on the site. These FAQs are prepared to supplement and update information previously made available about the Library Project.

WHAT RECENT UPDATES/PROGRESS CAN BE REPORTED?

Please refer to [this recent update](#) prepared for the public by an advisory subgroup consisting of representatives from the Library Trustees, Library Building Committee, and Select Board.

WHAT EFFORTS ARE IN PLACE TO ADVANCE COMPLETION OF THE PROJECT?

The Town continues to do everything possible to ensure that the project gets done correctly and with the expected high level of workmanship.

The Library Building Committee, Select Board, and Library Trustees continue to meet regularly, and an advisory group consisting of members of the Select Board, Library Trustees, Library Building Committee and key Town employees meets twice weekly. Weekly Owner, Architect, Contractor (OAC) meetings continue to take place on Tuesdays with the Owner's Project Manager.

ARE THERE ANY LOCAL MEETINGS I COULD ATTEND, TO LEARN MORE?

Meetings of the Select Board, Library Trustees, and Library Building Committee are open to the public. Times and locations for these meetings are posted on the Town website. Select Board meeting minutes are posted on the Town website; minutes from meetings of the Library Trustees and of the Library Building Committee are posted on the Sherborn Library website.
