As Brian mentioned, the Richard Saltonstall Charitable Foundation Report was submitted to the RSCF Board of Trustees. Progress on the Financial Report due to the State in early October has also been made.

Personnel Subcommittee (Erin Carroll)

Erin Carroll went through the Annual Review of the Library Director. Erin compiled the Trustees evaluations with average scores and anonymized comments/feedback into a document and presented that to the Trustees and to Liz.

Since beginning as interim Director in January 2023, Liz has been reviewed once at the 6-month mark and again at the one-year mark. This is Liz's second full-year review. Liz has seen a numerical improvement year-over-year and all of the areas were marked as "performance level has been maintained" or "performance has improved."

Motion to vote to approve the Director's Annual Review. Frank, motion, Seth 2nd. Unanimous approval.

Sherborn History Center (Brian Connolly, Chris Kenney, Seth Molloy)

Bi-weekly meetings have continued with the working group that includes: Jeremy Marsette (Town Administrator), Sean Killeen (DPW Director), George Fiske (SHC), Margo Powick (SHC), Martha Mahard (SHC), Doug Brown (SHC), Brian Connolly (Library), Chris Kenney (Library), Seth Molloy (Library) and Liz Anderson (Library).

Modest changes have been made to the budget, which is currently at \$1.327 million. About \$40,000 in reductions to finishes have been made in the last few weeks.

Yugon, the SHC architect is working to finalize the design documents, which will then go out to bid.

Memorandum of Understanding (MOU) will be broken down into two separate documents, an MOU for the construction period and a separate, long term occupancy lease for post construction operations. The working group has a draft of the construction period MOU, which has been vetted by Town Counsel. Edits to this document have been made and will be returned to Town Counsel for a second look. Town Counsel will begin drafting the lease for review.

Timeline update will be coming soon from Yugon, but as of today, construction is slated to begin in the winter (towards the beginning of the year), into late Spring, with a June soft opening planned.

Director's Report (Liz Anderson and Jen Carlson)

Liz updated the Trustees that Town Clerk, Jackie Morris, has retired and will be filling in temporarily on an intermittent basis until her position is filled. A thank-you to Jackie who served as the Town Clerk for many years.

The Library will be getting a new phone system on Friday, September 19, earlier than anticipated. Our telephone bill should see a reduction. Frank asked about the phone lines for the History Center. Sean has been coordinating with Klaus to ensure that they have a separate phone number that will go directly to the SHC. Two phones most likely will be installed. Frank also asked about internet and how it will be configured within the Library for the SHC. Decided IT group will connect with Klaus to find out more.

Liz to attend "What Your Library Needs to Know About AI" presentation on September 18. Tom Van Langen also attending an AI Library talk on September 27. Both will report back to the group what they learned. Jeff suggested that Library collaborate with the school on AI initiatives.

Interviews for the Circulation Supervisor position have been completed, offering job to candidate this week.

Sue and Liz met (and did Liz and Sandra) about the increase in Library usage statistics for FY 25. Plan to send out highlights in e-newsletter and on social media. More coming soon.

Jen updated on Summer Reading. Increase of 45% participation this year.

E-waste recycling bin is at the Library until mid-October, open to the public to bring items for recycling, certified data destruction.

Collaborating with the Board of Health on several programs. Blood pressure clinics bi-weekly beginning later this month. Sarah Lapin of the BOH will be doing a hands-on Emergency Preparedness kit-making program for families on Sept 29.

Successful hybrid Sherborn history program, co-sponsored by the Sherborn Historical Society on Dallin statues. About 35 people attended in person and 5 online.

Upcoming programs: Halloween parade, Halloween costume swap, annual Jack-o-lantern contest.
