

Request for Reconsideration Form

The Board endorses the American Library Association's *Library Bill of Rights and Freedom to Read Statement* in providing Library services for all. Sherborn residents only may fill out this Request for Reconsideration form for an item in the collection, a library program, or a library display. The form must be returned **in person** to the Library Director.

The Library Director will make determinations on any removal or retention of materials, programs, or displays in consultation with the staff responsible for that area. The Library Director's decision may be appealed within 30 days to the Board of Trustees; the Board's decision will be final.

All requests made to the Board will be made public and will be presented at the Board of Library Trustees meetings. A response from the Trustees will be issued within 90 days; any item will remain in circulation while under review. Programs and displays will also continue while under review.

The form is below and available at the public service desks.
