

SHERBORN LIBRARY RENOVATION UPDATE

May 2021

A picture is worth a thousand words, and we want to share with everyone in the town several pictures to show progress and how far along the Library is. Both interior work and exterior work have been nearing completion. For those residents who have driven by recently, you will have noticed that most of the construction fencing has been removed and the grounds are now being cleaned up and landscaped. We encourage town residents to drive by and see progress for themselves on the exterior and surrounding property. The Library staff and the trustees continue to work on the reopening plan to make sure the Library is operational when we have a final opening date. The LBC and the Trustees are working to provide an opening date soon.

Back patio.

Second floor looking towards the front desk.

Looking towards Nora's Treehouse.

First floor looking towards the fireplace.

Front circulation desk.

Community room, lower level.

Nora's Treehouse and lower level entryway.
